

# Early Years Foundation Stage

# End of Year Expectations for Reception

Information for  
Parents and Carers

Your child's early years practitioners will work in partnership with you gathering and collecting evidence about your child as well as using their professional knowledge to assess your child's level of development and progression in learning. If they have any concerns about your child's progress they will discuss these with you

There are three formal assessments that take place during the EYFS. These are;

- Two-year progress check (between the ages of 24 to 36 months)
- Reception baseline (at the start of the reception year)
- Early Years Foundation Stage Profile (at the end of the reception year)

Your child's Early Years Foundation Stage Profile will be shared with you at the end of the EYFS. This will inform you of your child's progress and whether they are 'on track' working within the early learning goals (ELGs) or continuing to work towards their ELGs. There are 17 ELGs that your child will be expected to achieve by the end of the reception year (EYFS).
