

I'm Still Standing - Elton John

Verse 1

(pause) You could never know what it's like

*Your blood like winter freezes just like ice

And there's a cold lonely light that shines from you

*You'll wind up like the wreck you hide
behind that mask you use

Verse 2

And did you think this fool could never win?

*Well, look at me, I'm a-coming back again
I got a taste of love in a simple way

*And if you need to know while I'm still
standing you just fade away

Chorus

Don't you know I'm still standing better
than I ever did?

Looking like a true survivor, feeling like
a little kid

And I'm still standing after all this time
Picking up the pieces of my life without
you on my mind

I'm still standing. Yeah, yeah, yeah

I'm still standing. Yeah, yeah, yeah

Verse 3

Once I never could've hoped to win

You're starting down the road leaving me
again the threats you made were *meant* to
cut me down

And if our *love* was just a circus - you'd be
a clown by now

Chorus

You know I'm still standing better than I
ever did

Looking like a true survivor, feeling like
a little kid

I'm still standing after all this time
Picking up the pieces of my life without
you on my mind

I'm still standing. Yeah, yeah, yeah

I'm still standing. Yeah, yeah, yeah

(Short Instrumental)

Chorus

And I'm still standing after all this time
Picking up the pieces of my life without
you on my mind

I'm still standing. Yeah, yeah, yeah
