

## Dream It Possible

I will run, I will climb, I will soar  
I'm undefeated. oo  
Jumping out of my skin, pull  
the chord

Yeah I believe it  
The past, is everything we  
were  
don't make us who we are  
So I'll dream, until I make it  
real  
and all I see is stars  
It's not until you fall that you fly  
When your dreams come  
alive you're unstoppable  
Take a shot, chase the  
sun, find the beautiful  
We will glow in the dark  
turning dust to gold  
And we'll dream.  
It possible  
Possible  
And we'll dream.

It possible  
I will chase, I will reach, I will  
fly  
Until I'm Breaking, Until I'm  
Breaking  
Out of my cage, like a bird in  
the night  
I know I'm changing, I know I'm  
changing  
In, into something big,  
better than before

And if it takes, takes a  
thousand lives  
then it's worth fighting for

It's not until you fall that you fly  
When your dreams come  
alive you're unstoppable  
Take a shot, chase the  
sun, find the beautiful  
We will glow in the dark  
turning dust to gold  
And we'll dream.

It possible  
Possible  
From the bottom to the top  
We're sparking wild fire's  
Never quit and never stop  
The rest of our lives  
From the bottom to the top  
We're sparking wild fire's  
Never quit and never stop  
It's not until you fall that you fly  
When your dreams come  
alive you're unstoppable  
Take a shot, chase the  
sun, find the beautiful  
We will glow in the dark  
turning dust to gold  
And we'll dream.

And we'll dream.
