All money raised will go towards providing fun activities for the children.

Special Themed Lunch - Tuesday 1st April 2025

We are excited to announce that on Tuesday 1st April 2025, the school kitchen will be serving a special themed lunch. The theme is Build a Burger!

To ensure that we can cater appropriately, we kindly ask for your assistance in confirming numbers by booking online via the School Gateway App. Please select the Themed Lunch option and specify whether you would like a beef burger or veggie burger in the comments section before proceeding to check-out. If your child usually brings a packed lunch, we welcome them to join in the themed lunch by booking via the app. The cost for the themed lunch is £2.53.

If your child is entitled to free school meals and you are happy for them to have the themed lunch you don't need to do anything.

For parents whose children normally have a hot dinner but DO NOT wish to participate in the themed lunch, please inform the school office. In this case, no charges will be applied, and please ensure your child is provided with a packed lunch for that day.

Please be aware that on the themed lunch day, there will be no other meal options available. All orders and payments must be completed by Friday 21st March 2025 (PM).

Thank you for your continued support in making our school events engaging and enjoyable for our Children.

Thank You!

A big thank you to the Starkidz team for putting on the silent discos for us. The children loved them! [Donate here to help them keep up this fantastic work!](https://gofund.me/401c4af7)

UNIFORM SALE

The PTA will be selling good quality second hand uniform items on the yard on Friday 25th April 2025 at pick up time (weather permitting). We are asking parents for donations of uniform items that are in good condition. If items could be dropped off at the school office before we break up for Easter.

School Council—Easter Help!

Our School Council are collecting in Easter themed gifts for the Southport Foodbank. Any gifts will be gratefully received up until next Wednesday, 2nd April.

Thank You from the North West Air Ambulance Charity

To all the incredible students, teachers, and staff at the 27 schools across Merseyside, who took part in *Love My Community* this Valentine's Day - thank you! Your kindness and generosity in hosting an own clothes day to support North West Air Ambulance Charity mean the world to us. Every pound you've raised will help keep our lifesaving service in the skies and on the roads of the North West, ensuring we can be there for those in urgent need across the region.

Your community spirit and dedication has made a real difference and we are truly grateful to you.

From all of us at the NWAA—thank you for sharing the love this Valentine's Day!

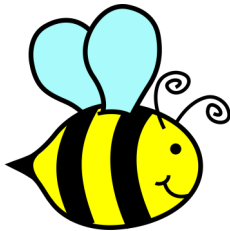

We raised £241.70. The total raised by all the Southport schools involved will be announced soon.

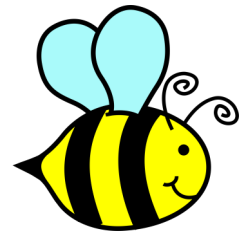

Be Rules

Just a reminder that these are our rules for behaviour around the school. They are our '**Be Rules.**'

Pupils are expected to follow this code of conduct at all times. Please support us at home if we request it following any issues which hopefully won't arise this term. Thank you.

- Be safe and sensible
- Be caring to others
- Be kind with words
- Be a good listener
- Be the best we can be

Almost Time for the Easter Hols!

The next few pages include information about Sefton's Easter Services in our area and the Team Around the School project. If you are interested please contact school and ask to speak to Mrs Brand for further information. We do hope you all have a lovely Easter break and we look forward to seeing you all back at the normal times on Tuesday, 22nd April

We close at 2pm next Friday, 4th April

What Happens Next?

Your child's school will:

- Explain the options of support available from different partner services
- Agree with you the support services you would like to access
- Support you to make links with the services who will be leading on the work with you and your family

You can find case studies about the impact team around the school has made to families in Sefton

SEFTON TEAM AROUND THE SCHOOL

Empowering families to take control of their own support.

TEAM AROUND THE SCHOOL

Sefton Council

What is a Team Around the School?

The Team Around The School (TAS) involves multiple professionals coming together to make sure that worries are dealt with at the earliest point and you receive the help you and your family need.

Who benefits from Team Around The School?

Every family could benefit from Team Around the School and everyone needs help and support at times and that is ok.

How does the Team Around the School work?

When you work with your child's school to discuss your family's needs they will ask for your agreement to work together with your family.

This information is shared with a core group of professionals from early help, education, and health – plus professionals who are specialists in a specific area of work. They will then work together to identify the best package of support for you

What is a Team Around the School?

The Team Around The School (TAS) involves multiple professionals coming together to make sure that worries are dealt with at the earliest point and you receive the help you and your family need.

Who benefits from Team Around The School?

Every family could benefit from Team Around the School and everyone needs help and support at times and that is ok.

These are some of the worries you may be facing that a Team Around the School approach can help you with:

- Speech and Language Development
- Family Routines
- Health Concerns
- Drug and Alcohol Misuse
- Housing Support
- Parenting
- Money Worries
- Managing Behaviour
- Parental Relationships
- Emotional Health and Wellbeing

How does the Team Around the School work?

When you work with your child's school to discuss your family's needs they will ask for your agreement to work together with your family.

This information is shared with a core group of professionals from early help, education, and health – plus professionals who are specialists in a specific area of work. They will then work together to identify the best package of support for you and your family.

The Team Around the School meetings are arranged by someone who knows you and your family, for example, School or Nursery and they will take place in those settings.

At these meetings, the school will make sure that your wishes and feelings are shared, are at the heart of the discussion and remain the priority. You will then work with someone from the team to develop a support plan, which is tailored to your families needs. At any stage if you feel that you no longer need this support a conversation will take place to discuss your decision.

Schools and professionals will follow government guidance on information sharing when considering and explaining support available from the Team Around the School.
