## INSTAGRAM HAS LANDED AT BPS!

We've had a trial this week with Instagram during the Year 6 visit to Robin Wood and we'd now like to roll this out for all of you to be aware of at home. We've no plans as yet to shelve our X (Twitter) account but we feel the Insta way seems to be the best platform to get lots of pictures out to you. Which is what we all want isn't it!! Hopefully this code is all you need to follow us. If you don't have an Instagram account, this is also easy to set up. Let us know if you have any problems.
