Not Long Now!

So, we're on our final half term of this academic year. There's so much to cram in before we break up for the Summer Hols!

We will always avoid sending 'junk' information out through our Parentmail and so it's vital that you are linked up with us through this service.

Parentmail itself has recently updated and so we apologise for any teething issues you may experience (e.g. the same thing sent more than once). Please do always get in touch if you change your contact numbers.

Thank You

The response from all of our community upon the announcement of a school closure to allow staff to attend the funeral of Mrs McLoughlin was overwhelming. Thank you all for your kind responses and words. Understandably, not a single objection came my way but this just goes to prove that we really are part of one big special family. The family of Mrs McLoughlin would like to extend their thanks for the support they have received from us all at this very sad time.

Sensory Room—We've Done It!!!!!!

We've raised the £10,000 target needed to provide a quality sensory room for the school! This is thanks to all the fundraising, donations and a top-up budget allocation made by the Governors. We'll done and thank you everyone involved!
