

## Farewell to Year 6

Oh no! It's almost that time of year again. The clock has ticked away and now our Year 6 children are almost ready to move on to their next schools. For many of them, they will have been here for over 1500 days and so we have got to know them quite well over the years! I know that myself and all the staff will have very mixed feelings when we see their final performances this Wednesday. I'm sure you'll be amazing!

**From myself and all the staff at Birkdale Primary, we wish each and every one of you the very best of luck! Stay cool, be brilliant! Be the best you can be!**

I would also like to thank all the parents who are also leaving with their children in Year 6 for being so supportive over your time with us here. You have been tremendous—thank you so much for your kind words on occasions when we've needed them most—they were very much appreciated.

### School Council 2025-26

Thank you to all our School Councillors, you did a brilliant job this year! Representatives of the School Council will be attending Christ the King this Thursday to meet with School Councils from all of Southport's schools to hear about the work each school has undertaken this year. Our SMART School Council approach and Tuck Shop Takeovers have been a big hit for us! Well done to you all!

**Please note we close for the Summer break on Friday, 17th July at 2PM—FREE MUFTI**

### Sports Days

We hope you enjoyed them as much as the children and staff. A big thank you for all your support and for all those who made it happen. The biggest of thanks go to Mr Murphy for all the organisation and entertainment that went into each one! See the next page about photos news.

## **RIG and All Our Volunteers**

This year we have had more support from home than ever before. Thank you all for all you have done. The children and all the staff are very grateful for all you do.

## **The BIG Breaktime**

We invite you to our 'Big BreakTime' on Friday 10 th July.

The aim of the day is to celebrate our children and remember the importance and enjoyment of play; it is an opportunity for our children to spend time away from any stresses, worries or responsibilities that they may have and enjoy playing in a safe and a fun environment. Maybe it will also be an opportunity for all of us grown-ups to stop and remember how much fun it can be to play too! We fully understand if you can't be with us but if you can, please check the latest Parentmail about this for more details of timings etc.

## **Mr Gallagher**

Congratulations to Mr Gallagher who has recently been appointed to the role of Assistant Headteacher for the school. The role will entail taking on the leadership of some key areas for improvement throughout the whole school. Well done!
