

End of Year Expectations Year 5

This booklet provides information for on the end of year expectations for children in our school. The statements of expectation have been taken from the National Curriculum 2014.

Children will be assessed against these objectives and awarded one of the following outcomes:

Working towards —working toward the objectives
Working at — has achieved the majority or all of these objectives

At Birkdale Primary School we appreciate that each child is an individual and each will progress at their own pace. Therefore, we will continue to provide teaching and learning opportunities to meet the needs of all of our pupils.
